ACTIVATE MY ACCOUNT ON CLAPPHOUSE

Starting from March 31, all members and subscribers must formalize their reservations through the Clapphouse application. This application will allow you to enjoy your course more and stay informed at all times about the daily life of Club Golf d'Aro.

Firstly, you will need to install the CLAPPHOUSE application, which you can find on GOOGLE PLAY if you use an Android system or on the APP STORE if you use an iPhone.

If you allow the receipt of notifications, you will receive real-time automatic alerts for events of your interest (e.g., confirmation of a new reservation) and relevant information about the course.

IT IS VERY IMPORTANT TO ENABLE THIS RECEPTION TO NOT MISS ANYTHING THAT HAPPENS AT CLUB GOLF D'ARO.

IDENTITY VALIDATION To validate your identity and activate your account correctly in the selected golf club, you will need to:

- Click on the first field of the form and select GOLF D'ARO.
- Enter the **activation code** you received in your email. Check that the contact details shown in the system are correct. Contact us if it does not work correctly and we will provide you with a temporary key to complete the activation process.
- Enter your last name.
- Accept the terms and conditions of use of the application and click on "VALIDATE IDENTITY."
- Review the information in your profile.
- Update your profile, select your preferences, and click on "SAVE."

Now you can start using the GOLF D'ARO application.

IF YOU WERE UNABLE TO COMPLETE THE PROCESS, CONTACT RECEPTION, WE WILL BE HAPPY TO ASSIST YOU.

A period of adaptation (until March 31st) is fixed during which Club Golf d'Aro is compromised to accompany all the members who need it in this process of change.
